ATX INTERIOR

THE WORLD IN YOUR EYES

EXQUISITE AND EYE-CATCHING

The ATX Interior perfectly complements any stylish interior. Its elegant Terra finish and gracefully crafted wooden tripod are a sight to behold. This ATX edition has been specially designed for indoor use and is only available as a complete set:

- ATX Interior eyepiece module
- 85 mm Interior objective module
- WT Interior wooden tripod with integrated tripod head

In addition to its elegant design, the ATX Interior impresses with the unique optical brilliance of the ATX spotting scope series.

Recognizing the smallest detail thanks to SWAROVISION technology

25-60x magnification for maximum flexibility during observation

Large field of view combined with large zoom range

Comfortable viewing thanks to angled view and intuitive handling

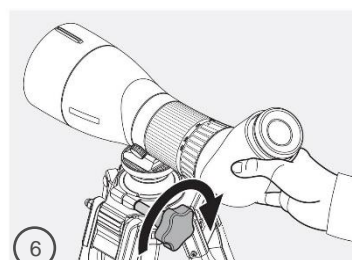

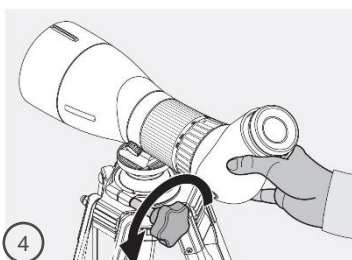

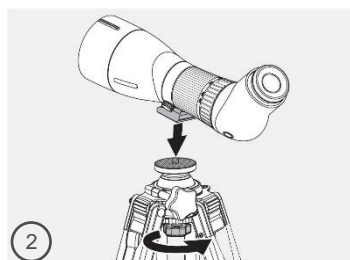

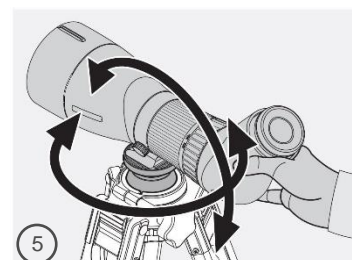

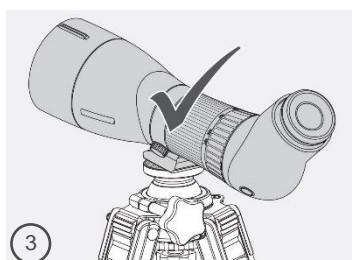

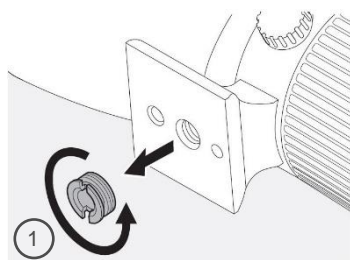

The WT Interior tripod is equipped with a fixed aluminum tripod head and a spirit level for fast yet precise adjustments. The tripod is extremely weatherproof and waterproof thanks to the special processing of the wood and its multilayered protective coating, which means it can also be used outdoors.
